

# Specification Sheet

## MIL-R-2765(NBR/Nitrile)

### General Information

|                    |                                      |
|--------------------|--------------------------------------|
| Compound Number:   | 040P0445                             |
| Date:              | December 12, 2022                    |
| Origin:            | Made in the USA                      |
| Polymer:           | NBR (Acrylonitrile-Butadiene Rubber) |
| Temperature Range: | -50 to +220°F                        |
| Specification:     | MIL-R-2765D                          |
| Compliance:        | RoHS, REACH                          |

### Physical Properties

| Property          | Test Method | Required |
|-------------------|-------------|----------|
| Hardness, Shore A | ASTM D2240  | 40 ± 5   |
| Tensile, psi      | ASTM D412   | 1000     |
| Elongation, %     | ASTM D412   | 300      |
