

Specification Sheet

Premium Neoprene (100% Neoprene)

General Information

Compound Number:	040E0247
Date:	December 09, 2022
Origin:	Made in the USA
Polymer:	Polychloroprene (Neoprene)
Temperature Range:	-30 to +200°F
Specification:	ASTM D2000 M1BC407
Compliance:	RoHS, REACH & Prop 65 CA.

Physical Properties

Property	Test Method	Required
Hardness, Shore A	ASTM D2240	40± 5
Tensile, psi	ASTM D412	1015
Elongation, %	ASTM D412	400
