

Specification Sheet

MIL-G-1149

General Information

Compound Number:	050E0189
Date:	December 09, 2022
Origin:	Made in the USA
Polymer:	Polychloroprene (Neoprene)
Temperature Range:	-30 to +200°F
Specification:	MIL-G-1149 Type I Class I Grade 50
Compliance:	RoHS, REACH & CA Prop 65 Shelf life is 10 years when stored in dry and cool place

Physical Properties

Property	Test Method	Required
Hardness, Shore A	ASTM D2240	50 ± 5
Tensile, psi	ASTM D412	1000
Elongation, %	ASTM D412	300
