

Specification Sheet

Premium Neoprene (100% Neoprene)

General Information

Compound Number:	050E0503
Date:	December09, 2022
Origin:	Made in the USA
Polymer:	Polychloroprene (Neoprene)
Temperature Range:	-30 to +220°F
Specification:	ASTM D2000 M1BC510
Compliance:	RoHS, REACH, & Prop 65 CA

Physical Properties

Property	Test Method	Required
Hardness, Shore A	ASTM D2240	50 ± 5
Tensile, psi	ASTM D412	1450
Elongation, %	ASTM D412	350
