

Specification Sheet

INFINISIL ® Performance Silicone

General Information

Compound Number:	060S0844
Date:	December 09, 2022
Origin:	Made in the USA
Polymer:	Silicone
Temperature Range:	-65 to +400°F
Specification:	Commercial Silicone

Physical Properties

Property	Test Method	Typical
Hardness, Shore A	ASTM D2240	60 ± 5
Tensile, psi	ASTM D412	800
Elongation, %	ASTM D412	350
